

Mục đầu tiên :

While Vietnam is a highly attractive investment destination for foreign investors, it still has a complex legal process for establishing a company.

That's why we are here to help your company, with our service we will provide you a full quotation which included everything needed for your company setting up in Vietnam, one time fee only and no more hidden fee.

Each business will require different company license to run so it will help us a lot for getting more details from your requirements then we can prepare a quotation for you.

Our fee will included Investment License and Enterprise License, tax registration, company bank accounts and 12 months virtual office.

This is the steps to open your company in Vietnam :

1	Consular legalize and translate foreign documents related to foreign investor
2	Draft and submit dossiers for Investment Certificate at DPI HCMC
3	Follow-up with officer to update the status of dossiers
4	Obtain and hand-over the Investment Certificate to the Clients
5	Draft and submit dossiers for Business Registration Certificate at DPI HCMC
6	Follow-up with officer to update the status of dossiers
7	Obtain and hand-over the Business Registration Certificate to the Clients
8	Make the stamp for the enterprise
9	Publish enterprise's information on the National Enterprise Portal

After finish setting up your company, we know your next concern will be about the long term visa, don't worry with our 6 years experienced we are here to help ! There will be 3 types of visa for investor in Vietnam that you need to follow :

	Visa Type For Investor	Requirements	Fee
01	Business Visa 3 months	Sponsored by your own company, if you are holding the tourist visa you must change to business visa before apply the investor visa	Depends on your nationality
02	Investor visa 6/12 months	You must hold a business visa sponsored by your own company first then you can apply 6/12 months investor visa. Your company capital must around 700 million VND to apply this one	Depends on your nationality
03	Temporary Residence Card 2 years	Your company capital must over 3 billion VND for apply this one OR you can apply a Work Permit as Director and convert into TRC 2 years later	Depends on your nationality
